A green printed circuit board (PCB) with a single 8GB memory module. The module has a black heat spreader with the Transcend logo and model number JM4800ALG-8G. The PCB has gold-plated pins for the DIMM slot.	Transcend 8GB(1x8GB) 4800Mhz UDIMM DDR5 CL40 Ram (JM4800ALG-8G)	Transcend	0	24,96 USD
A green printed circuit board (PCB) with a single 8GB memory module. The module has a black heat spreader with the Transcend logo and model number JM4800ASG-8G. The PCB has gold-plated pins for the SODIMM slot.	Transcend 8GB(1x8GB) 4800Mhz SODIMM CL40 DDR5 Notebook Ram (JM4800ASG-8G)	Transcend	0	25,03 USD
A green printed circuit board (PCB) with a single 16GB memory module. The module has a black heat spreader with the Transcend logo and model number JM4800ALE-16G. The PCB has gold-plated pins for the DIMM slot.	Transcend 16GB(1x16GB) 4800Mhz UDIMM DDR5 CL40 Ram (JM4800ALE-16G)	Transcend	0	42,25 USD
A green printed circuit board (PCB) with a single 16GB memory module. The module has a black heat spreader with the Transcend logo and model number JM4800ASE-16G. The PCB has gold-plated pins for the SODIMM slot.	Transcend 16GB(1x16GB) 4800Mhz SODIMM CL40 DDR5 Notebook Ram (JM4800ASE-16G)	Transcend	0	42,57 USD
A green printed circuit board (PCB) with a single 16GB memory module. The module has a black heat spreader with the Transcend logo and model number JM5600ASE-16G. The PCB has gold-plated pins for the SODIMM slot.	Transcend 16GB(1x16GB) 5600Mhz SODIMM CL46 DDR5 Notebook Ram (JM5600ASE-16G)	Transcend	0	46,15 USD
A green printed circuit board (PCB) with a single 16GB memory module. The module has a black heat spreader with the Transcend logo and model number JM5600ALE-16G. The PCB has gold-plated pins for the DIMM slot.	Transcend 16GB(1x16GB) 5600Mhz UDIMM DDR5 CL46 Ram (JM5600ALE-16G)	Transcend	0	46,15 USD
