A green printed circuit board (PCB) with a single 8GB DDR5 UDIMM memory module. The module is populated with a single green chip. The PCB has gold-plated pins along one edge.	Transcend 8GB(1x8GB) 4800MHz UDIMM DDR5 CL40 Ram (JM4800ALG-8G)	Transcend	0	24,96 USD
A green printed circuit board (PCB) with a single 8GB DDR5 SODIMM memory module. The module is populated with a single green chip. The PCB has gold-plated pins along one edge.	Transcend 8GB(1x8GB) 4800MHz SODIMM CL40 DDR5 Notebook Ram (JM4800ASG-8G)	Transcend	0	25,02 USD
A black printed circuit board (PCB) with a single 8GB DDR5 memory module. The module is populated with a single black chip. The PCB has gold-plated pins along one edge.	8GB DDR5 HI-LEVEL 4800MHz CL40 HLV- PC38400D5-8G	Hilevel	0	26,65 USD
A black printed circuit board (PCB) with a single 8GB DDR5 SODIMM memory module. The module is populated with a single black chip. The PCB has gold-plated pins along one edge.	8GB DDR5 4800MHz SODIMM 1.1V HLV- SOPC38400D5/8G	Hilevel	0	26,65 USD
